HABITAT RESTORATION & ENHANCEMENT

- Over 26,500 acres impacted around the state!
- For every \$1 raised, we matched it with \$6.30 from our conservation partners.
- 489 acres of wildlife opening and trail maintenance in Chequamegon/Nicolet National Forest
- 121 acres oak savanna and oak barrens burn on Mud Lake WA in Columbia County
- 3,731 acres oak savanna and oak barrens burn at Namakagon Barrens and Crex Meadows
- 1,436 acres upland oak burn on the Necedah National Wildlife Refuge in Juneau County
- 11,000 acres of turkey habitat restored using NWTF equipment provided to state agencies
- 9,168 acres of conservation seed planted to provide cover and winter food source
- 100 – plus acres public access: provided funding to WDNR for Turkey Hunter Access Program (THAP)

“Working hand in hand with our agency partners, we collectively restored the wild turkey across much of North America. Now is the time to take the next step and work together to Save the Habitat. Save the Hunt.”
